Privacy and Content Policy

The Professional Organizers Association of Southwest Florida (POASWFL) created this policy to show our firm commitment to your privacy and the protection of your information. This statement applies solely to information collected by POASWFL and displayed on this Web site.

We have security measures in place to protect against the loss, misuse and alteration of the information under our control. Although we exercise reasonable care in providing secure transmission of information between your computer and our server, we cannot ensure or warrant the security of any such information transmitted to us over the Internet.

Established members will occasionally receive information and updates from us via e-mail. We will use every discretion in controlling the frequency of our mailings. If you receive an e-mail for POASWFL, your e-mail address is either listed with us as someone who has expressly shared their address for the main purpose of receiving information or you have joined, registered, or purchased membership with the POASWFL. Every effort is made to limit our electronic mailings to official business, however, we use e-mail as a primary means of communication with members. If you do not wish to read POASWFL messages, please feel free to delete them. Please forward a copy of any unofficial POASWFL e-mail with your comments to **info@swflorganizers.com** for review.

The POASWFL Web site contains links to other sites. Be aware that we are not responsible for the content or privacy practices of other sites. We encourage our users to be aware when they leave our site and to read the privacy policies of each Web site that collects personal information.

We will not share, sell, or rent your personal information with anyone without your advance permission or unless ordered by a court of law. Information submitted to us is only available to employees or association officers managing this information for purposes of contacting you or sending you e-mails based on your request for information, and to contracted service providers for purposes of providing services relative to our communications with you.
